*But be on your guard and do not try to understand and judge the Divine Mother by your little earthly mind .....*

*If you follow your mind, it will not recognise the Mother even when she is manifest before you. Follow your soul and not your mind, your soul that answers to the Truth, not your mind that leaps at appearances; trust the Divine Power and she will free the godlike elements in you and shape all into an expression of Divine Nature.*

**- Sri Aurobindo**
